

## FlockMate Velvet Flock Paper

Premium polyamide flock paper is distinguished by its luxurious quality, featuring ultra-fine 1.2D fibers at a length of 0.75mm to meet the highest standards.

With a smooth, velvet-like surface and an ultra-soft, semi-matte finish, this flock paper delivers an elegant touch. Its easy-release properties ensure optimal performance in garment decoration, making it the perfect choice for achieving superior results.

### -----Application Instruction -----

1. Print glue adhesive onto garment
2. Dry the glue
3. Place FlockMate paper onto printed area
4. Heat press  
Temp: 160°C  
Pressure: Medium – High  
Time: 12-15 seconds  
Release: Cold
